## Our purposes for processing information about you

We use the information we hold about you for a variety of purposes which are outlined below. Data protection law requires us to tell you what our legal reason is for each purpose.

### Contractual purposes

When you ask us to provide you a service, such as club membership, trampoline sessions, competitions, camps, trips or other activities, or you buy club kit from our store, we usually need to use information about you to provide this service, for example:

- To contact you to confirm arrangements;
- To notify you about changes to terms and conditions;
- To tell you when it is time to renew membership or re-register for activities;
- To process payments or send you receipts required;
- To provide you with the benefits and services to which you have subscribed.

We do so because it is necessary for the performance of a contract.

### Legal obligations

We have a duty of care to ensure it is safe for you or your child to take part in gymnastics activity and to keep you/them safe while participating. Some individuals may be at risk of harm from participating in gymnastics activity as a result of a pre-existing condition. It is vital that you let us know if there is any reason why taking part in gymnastic activity may be

unsafe prior to participation. With your agreement, we will review any information you provide and undertake risk assessments in consultation with yourself and any appropriate trained professionals e.g. medical consultants. When we ask participants to provide relevant health information such as details of medical conditions, medication needs, allergies or injuries, this is because we have a legal obligation.

If you are selected for a role at the club, we will usually obtain a reference from any appropriate organisation or individual you have nominated.

When you tell us about any special needs such as disabilities or other support information we may use relevant information to comply with our legal obligations under the Equality Act 2010. We will review any information you have provided to help us identify any actions we can take to support inclusion. We may need to ask you for more information to help us to best meet your or your child's needs. We will keep a record of any steps we take to support inclusion.

If you are wishing to volunteer or work for us, we may need to ask you to complete a criminal record check as we have a legal obligation to do so. We jointly control the checking process with British Gymnastics who is responsible for the assessment of any content on the check and will only share information with us where it is appropriate. For example, if you are considered by British Gymnastics to be unsuitable to take on the role, we may share relevant and proportionate information about criminal offences where it is deemed that while you are not considered unsuitable to take on the role, if it is considered necessary for safeguarding purposes.

When we retain information about you, even after you are no longer taking part in gymnastics activity, this is often because we are required to do so by law, such as records we are required to keep for business and accounting purposes. Sometimes we are also legally obliged to share information about you with third parties. More information is provided below.
